Would you like to be part of a school recently confirmed as GOOD by Ofsted (April 2023)?

Pupils are happy to attend this school. The school's values include honesty, excellence, ambition, respect and teamwork. The school's culture is rooted in these values. There are positive relationships between staff and pupils. Staff have high expectations, and pupils live up to these.

Staff are proud to work at the school. They feel well supported by leaders in respect of workload, well-being and managing pupils' behaviour. Staff value the professional development they receive.

If so, you will not want to miss out on the opportunity of joining our team as Senior Science Technician to assist the Science Team with the efficient day to day delivery of lessons. The salary reflects our desire to appoint someone with experience and the skills to support and develop a trainee Science Technician.

The successful applicant will need to be committed to providing an outstanding service that supports children and young people to succeed. They will need to be an enthusiastic and versatile person who works well in a team.

Applicants should also be self-motivated with the ability to work independently.

Hours of duty are 7.45am – 3.15pm Monday to Friday, with a 30-minute unpaid break each day. There is some flexibility with hours and times which can be discussed at interview.

The successful candidate will find a school that has an amazing team of staff, fantastic students and a real family ethos and climate.
