

MESSAGE FROM THE PRINCIPAL

The final newsletter of the term is a short one, to share some exciting news about building work at the school, student successes, catering news and to wish you all a Happy Easter.

CAFÉ:

Next term will see the opening of our café, a second servery initially open to sixth form students. In collaboration with abm, our catering providers, a previous second kitchen space has been converted into a lovely café space, reducing seating pressure and queuing times in the main canteen.

ROOF:

Over the Easter holiday and into next term there will be some work done to the EBacc block roof. This should not impact on lessons at all, but we hope will lead to better ventilation and reduced heat gain in this part of the school should we have a heat wave this summer.

DT/ART BLOCK:

In term 6 there will be some major works completed in the Art and Design block, impacting on En7, En8, AD6 and AD4. These classrooms will be re-roomed and students will be informed about how to access other Business and IT classrooms from the back of the Art and design block. The result will be a fantastic new modern toilet block.

ANNEX:

We are currently investigating the cost of refurbishing the unused old community centre building, that sits on the site by the car park, into a sixth form study centre. We are excited by the prospect of a new dedicated space, as our current block is not large enough to support our growing sixth form numbers.

My huge thanks to the Site Team for their dedication and hard work on all these projects.

DETAILS OF END OF TERM / START OF TERM 5:

School will close on Thursday 28 March for the Easter Break.

There will be a training day on Monday 15 April, so the school will be closed to students on this day. Students should return to school on Tuesday 16 April. This will be Week 1.

We wish all Latimer families a very Happy Easter break

SAVE THE DATE

**Pride of Latimer Awards
Wednesday 10 July 2024**

We are delighted to announce the return of our Annual Pride of Latimer Awards Evening at the Castle Theatre in Wellingborough.

The Pride of Latimer Awards Evening is a celebration of our students' successes, talents and achievements. There will be a variety of award categories to honour students in Year 7 through to Year 13, along with spectacular performances.

Please keep this date in mind – your child may be one of our winners or could be performing on the night!

CONGRATULATIONS

Girl Power!

Last night our Year 8 and 9 female footballers became the Northamptonshire County Schools FA U13 Girls Champions after a thrilling game which ended 3-3 after extra time and finished 4-3 to Latimer on penalties. It was a repeat of last year's final against Caroline Chisholm School who are formidable opponents.

It was a real team effort with every single squad member playing a part in the victory. Congratulations girls on this amazing achievement and an incredible season through out the year.

Congratulations to Doris Garrod in 8G1 who, after a successful video audition, will now be attending The Royal Danish Ballet school in July.

She has also been involved in the Sleeping Beauty Dreams project earlier this academic year and we are looking forward to seeing Doris continue to shine on stage!

Congratulations also go to Max Ablett on his selection for the County Cricket U13s.

Annabelle Storer in Year 8 has also been selected for the County Cricket girls' team for this season - well done!

Race to Silver

Two more students have reached the target of 350 points in the Top 10 Race to Silver. Congratulations to Annabelle Storer 8T2 and Ajai King 8G1.

Lunch week 1
